NRWASA reserves the right to reject any and/or all bids.

BID REQUIREMENTS

Bidders are required to verify compliance with the following requested items AND INCLUDE WITH THE BID THOSE ITEMS AS REQUESTED OR BE PREPARED TO FURNISH AT A LATER DATE AS SPECIFIED. LACK OF COMPLIANCE MAY RESULT IN AUTOMATIC DISQUALIFICATION.

1. Completed NRWASA Bid Form with signature.
2. Bid Bond: The Bid Bond must be included in the bid package at the time of bid opening.
3. No Bid Bond required.
4. Certificate of Insurance upon notification of award.
5. Performance Bond upon notification of award.
6. Contact Data Sheet.
7. References. (Preferably from local governmental units, if never done business with NRWASA before, references are not needed if WASA has made previous purchases from vendor).
8. Signature on bid by authorized personnel.
9. Affidavit of Non-Collusion.
10. Exception to the Bid Form.
11. Minority business forms.
12. Specification compliance form.
13. MSDS Sheets on all chemicals being bid on.
14. Tax Payer Identification Form (W-9)

1.0 GENERAL

- 1.01 Bids shall be considered only from bidders who have been established in the business of chemical manufacturing and/or procurement, and delivery for five years or more.
- 1.02 The Contractor shall provide specific information concerning its qualifications to complete the work. The Contractor shall also provide, upon request by NRWASA and at no cost to NRWASA, a list with complete contact information of at least two clients that have had similar services performed over the previous two years. Failure to provide this list may disqualify the bidder.
- 1.03 Successful bidder shall inspect all facility sites and clarify any questions with NRWASA before submitting a bid.
- 1.04 The Contractor shall be responsible for all direct correspondence with NRWASA and shall not delegate communication responsibilities to anyone including sub-contractor, consultant, or manufacturer. All information required to be submitted shall be the direct responsibility of the Contractor.
- 1.05 Contractor shall protect any adjacent equipment, piping, utilities, and electrical components not associated with the work or the Contractor's operation. The Contractor is responsible for any damage to NRWASA, and all equipment and materials used for this project caused by carelessness, neglect, abuse, and unqualified/unlicensed personnel. Any damage to equipment, piping, electrical system, etc., caused by Contractor operations shall be repaired to original or better condition at no cost to NRWASA.
- 1.06 The Contractor shall submit a Safety Data Sheet (SDS) and product specification for the chemical being bid. Product specification for liquid chemicals shall include pH, specific gravity, percent strength/purity, and any additional pertinent information.
- 1.07 The Contractor shall execute all work (establishing, procuring, manufacturing, transporting, delivery and storage and dosing systems, etc.) in strict accordance with all local, state, and national codes, ordinances, and regulations governing the work including but not limited to the American Water Works Association (AWWA B402-06). The Contractor shall have all permits and/or licenses required from the local, state, and federal authorities at the time work starts.
- 1.08 The contract term for Chemical Products will be for **six (6) months**. This contract term will be from **January 1, 2025 through June 30, 2025**, with the option to renew for multiple terms. Individual items will be awarded separately to the low bidder.
- 1.09 The column on the Bid Proposal Form titled "Estimated 6-months Purchase Quantity" is based upon projected amounts. NRWASA does not guarantee a minimum or maximum quantity of any item to be purchased.
- 1.10 NRWASA reserves the right to refuse all goods and to cancel all or any part of the contract if contractor fails to meet delivery or performance dates.
- 1.11 In the event that the vendor is unable to provide the current chemical contract as awarded, then NRWASA will have the right to void existing contract and negotiate with another vendor of our choice.

1.2 Insurance

- 1.21 Insurance coverage specified herein constitutes the minimum requirements and said requirements shall in no way lessen or limit the liability of the Contractor under the terms of the Contract. The Contractor shall procure and maintain at their own expense any additional kinds and amounts of insurance that, in their own judgment, may be necessary for their proper protection in the prosecution of the work. The Contractor shall carry insurance as prescribed herein and all policies shall be with companies satisfactory to NRWASA.
- 1.22 If a part of this Contract is sublet, the Contractor shall require each sub-contractor to carry insurance of the same kinds and in like amounts as carried by the prime contractor.
- 1.23 Certificates of insurance shall state that thirty (30) days written notice will be given to NRWASA before the policy is canceled or non-renewed. No contractor or sub-contractor will be allowed to start any work on this contract until certificates of all insurance required herein are filed and approved by NRWASA Officials. The certificates shall show the type, amount, class of operations covered, effective dates, and the dates of expiration of policies. In addition, the certificates shall name NRWASA as additional insured. The Contractor shall secure and maintain in effect for the period of the Contract and pay all premiums for the following kinds of insurance.
- 1.24 Worker's Compensation and Employer's Liability Insurance
- 1.241 The Contractor shall maintain Worker's Compensation and Employer's Liability insurance to protect the Contractor against all claims under applicable North Carolina Worker's Compensation Laws. The liability limits shall not be less than the required Statutory Limits for:
- A. Worker's Compensation – **\$1,000,000** Each Accident
 - B. Employer's Liability – **\$1,000,000** Each Accident
 - C. Disease –
 - i. **\$1,000,000** Each Employee
 - ii. **\$1,000,000** Policy Limit.
- 1.25 Contractor's Comprehensive General Liability Insurance
- 1.251 The Contractor shall maintain General Liability insurance to cover all operations in connection with the performance of this Contract in amounts not less than the following:
- A. **\$1,000,000** Each Occurrence
 - B. **\$2,000,000** General Aggregate
 - C. **\$2,000,000** Products/Completed Operations Aggregate for claims by third parties for bodily injury, property damage or personal injury.
- 1.252 Coverage shall be provided on an occurrence form, not claims made. No exclusions or limitations related to height of work will be allowed. The NRWASA is to be listed as an additional insured.
- 1.253 The Comprehensive General Liability policy carried by both the contractor and the sub-contractors shall be maintained by the contractor for at least two years after completion of services.

1.26 Automotive Liability

1.261 The Contractor shall maintain Automobile Liability insurance in the amount of not less than the following:

- A. **\$1,000,000** Combined Single Limit for bodily injury or property damage liability to protect him from any and all claims arising from the use of the following:
 - i. Firm's own automobile and trucks.
 - ii. Hired/leased or rented automobiles and trucks.

1.262 The aforementioned is to cover use of automobiles and trucks on and off the site of the project.

1.27 Pollution Liability

1.271 The Contractor shall maintain Pollution Liability insurance in an amount not less than the following:

- A. **\$1,000,000** Each Occurrence
- B. **\$1,000,000** General Aggregate.

1.28 Umbrella Liability

1.281 The Contractor shall maintain Umbrella or Excess Liability insurance in an amount not less than the following:

- A. **\$1,000,000.**

2.0 CHEMICAL SPECIFICATION

2.01 All item(s) proposed must meet or exceed the requirements for chemicals intended for use in drinking water treatment as set by the North Carolina Department of Environment and Natural Resources, and of ANSI/NSF STD 60 and 61 and the recommendation of the American Water Works Association.

2.02 Unless otherwise stated, the names of a certain make (Trade Name or Brand) or definite specifications are to denote quality standards of the chemical required, but does not restrict bidders to the specific brand or manufacturer name; it is to set forth and convey to the prospective bidders the general style, type of character and quality of the item(s) desired. **Exceptions are Carbon—in which bidders are restricted to only Norit Americas Hydrodarco B or Westvaco Aqua Nuchar, Polymer—in which bidders are restricted to Kemira-manufactured Cationic Polyacrylamide C492-PWG, and Phosphoric Acid—in which bidders are restricted to Carus 4105.**

3.0 PRODUCT DELIVERY

3.1 Delivery Location:

Location	Street Address	City/State	Zip Code
NRWASA WTP	2811 Barrus Rd	La Grange, NC	28551

3.11 If delivered to other than the address reflected on the Purchase Order or Contract, NRWASA refuses any and all responsibility for losses and damages.

3.12 No C.O.D. deliveries will be accepted.

3.2 Delivery Requirements

3.21 Liquid chemicals shall be delivered by bulk tanker trucks designed and licensed to transport the chemical. All tanker trucks used shall comply with all safety regulations specified by the North Carolina Department of Transportation. The tanker trucks shall be in suitable condition for hauling the chemical and shall not contain any substances that might affect the usefulness of the chemical for drinking water treatment. Tanker trucks must be equipped with appropriate systems to off-load the chemical at each location.

3.22 All deliveries shall be between the hours of 8:00 a.m. – 3:00 p.m. Monday through Friday, with the exception of official holidays, when no deliveries will be accepted.

3.23 The Contractor is responsible for scheduling deliveries to point of destination within 24 hours of request for delivery. All deliveries shall also come with a certificate of analysis.

3.24 The Contractor shall bear the responsibility for safe delivery of the chemical into the storage tanks. The Contractor is responsible to make sure that tank connection, hose length, etc. is compatible with the existing storage systems. The risk from any cause shall be borne by the Contractor until actual delivery and acceptance by Owner. The Contractor shall notify the Owner of all spills and The Contractor shall also be responsible for proper cleanup and disposal of any spills and all required regulatory reporting of such spills at no cost to the Owner.

3.25 A Safety Data Sheet (SDS) shall accompany the initial delivery.

3.26 Vendors will need to include relative information concerning concentration/purity of the chemicals they are providing with the bid. **Documents to be included with each delivery include Certificate of Analysis (CofA), Bill of Lading, and appropriate weight tickets.**

3.27 The Contractor is obligated to supply chemicals, when ordered, as specified above and in case of emergencies. The packaging and shipping of said product shall conform to current federal, state, and local regulations.

3.28 Guaranteed delivery date may be considered in making the award. Any vendor who submits a bid on these specifications agrees to accept our purchase order and agrees to guarantee complete deliver within five (5) days of the Purchase Order date, or as otherwise specified. If vendor feels he cannot meet requested delivery/completion date, he shall so state and give revised date with bid proposal.

3.29 NRWASA requests notification by phone or email of shipment 24 hours prior to delivery from the vendor.

3.3 Delivery Quantity

- 3.31 The quantity of liquid chemicals delivered at one time, shall be within Expected Delivery Quantity parameters as outlined in Bid Table A; failure to meet this specification may result in offloading stoppage as on-site storage capacity is reached, at no burden to NRWASA.
- 3.32 **Certified net weight tickets must accompany each shipment;** said certification to be signed by the name of the certifying authority.

3.4 Delivery Oversight

- 3.41 No chemicals shall be delivered unless witnessed by appropriate plant personnel.
- 3.42 Upon discovery of any materials which have been delivered which does not meet the NRWASA's minimum specifications, such material shall be immediately removed from the site by the vendor and replaced with material meeting the minimum standards.

4.0 PRODUCT INSPECTION

- 4.01 NRWASA reserves the right to have any chemical shipment inspected.
- 4.02 NRWASA may sample and test any shipment to determine the concentrations of active ingredients. The bidder shall provide instructions in writing accompanying the sample for the laboratory procedures required to perform the test for the determination of active ingredients.
- 4.03 NRWASA reserves the right to reject and return, at vendor's expense (to include re-stocking fees and risk), any unacceptable shipment.
- 4.04 Prior to offloading of liquid chemicals NRWASA staff will provide the vendor with an appropriate sample container. It is the responsibility of the vendor to provide NRWASA staff with a sample of liquid chemical from the shipment. Samples will be pulled from the top or the tanker load for chemicals with specific gravity greater than 1.00 and from the bottom of the tanker load for chemicals with a specific gravity less than 1.00. After laboratory analysis the vendor will be allowed to begin the offloading of bulk chemicals.

5.0 ENVIRONMENTAL REGULATION COMPLIANCE

- 5.01 The Contractor shall, at Contractor's expense, comply with any present or hereafter enacted environmental laws, rules and regulations, including those of the Environmental Protection Agency (EPA), the United States Occupational Safety and Health Administration (OSHA), the North Carolina Department of Transportation (NCDOT) and any other local, state or federal authority that regulates environmental matters, including environmental clean-up responsibility laws.

6.0 WARRANTY

- 6.01 The Contractor shall guarantee the product specifications throughout the period of the contract.
- 6.02 The Contractor shall cover all travel and lodging expenses, which could result from any Technical Assistance.

7.0 PAYMENT

- 7.01 Receipted freight bills shall support invoices for prepaid transportation charges. In the case of bids or quotations, all freight charges are borne by the bidder unless otherwise specified in bid.
- 7.02 It is the desire of NRWASA to pay promptly. It is the vendor's responsibility to submit invoices directly to NRWASA at the address specified on the contract or as "Ship and Bill to" on the Purchase Order or they can be **emailed to angela.mckenzie@nrwasa.org**. Invoices shall include Purchase Order number, description of item(s), quantities, unit price, extended price, freight, state and local taxes, and date of delivery. Vendor shall sign invoices not on printed billheads. Purchase order number must be listed on all shipping labels.
- 7.03 Invoices exceeding the limits established by this contract/purchase order or for materials or services not qualifying under its specifications as ordered are not subject to payment.
- 7.04 Partial payments may be authorized and made upon properly executed invoices of delivered goods, or services rendered unless otherwise stated in the bid. Final payment will be made when materials, supplies, equipment or services rendered have been fully delivered or executed and accepted.
- 7.05 Vendors must provide tax information to include vendor's full business name, address, "remit to" address, federal tax identification number or social security number if vendor does not have a federal ID number.

TERMS AND CONDITIONS

BIDDER SHOULD READ AND UNDERSTAND THE CIRCUMSTANCES AND PROCEDURES UNDER WHICH THIS BID IS LET. BIDDER'S RESPONSE TO THE REQUEST FOR BIDS (RFB) SIGNIFIES ACCEPTANCE OF THE OBLIGATIONS AND RIGHTS SPECIFIED HEREIN. THE BIDDER AND/OR BIDDERS TO WHOM THE CONTRACT IS AWARDED MUST COMPLY FULLY WITH NORTH CAROLINA GENERAL STATUTES AND ANY APPLICABLE STATE AND FEDERAL LAW OR REGULATION.

SPECIFICATIONS: Any deviation from the specifications set forth must be clearly indicated on the proposal; otherwise, it will be considered that items offered are in strict compliance with these specifications, and the bidder will be held responsible thereof. Deviations from the specifications should be explained in detail. Unless otherwise defined in the Request for Bids or submission, it is understood and agreed that any item offered or furnished shall be new, in current production and in first class condition. Items shall be protected during shipping and storage by passing or packaging consistent with the method of transportation to assure delivery without damage or degradation of product quality.

Bidder shall indicate on the proposal the original manufactured source of all chemicals quoted. NRWASA must approve any change in source during the life of the contract.

EPA and State approval of materials to be used for potable water treatment is a condition of purchase. Documentation of approved dosage must be furnished by the supplier.

SPECIFICATION INFORMATION

FOR ADDITIONAL INFORMATION CONCERNING THE SPECIFICATIONS: Questions concerning bid requirements for specifications should be directed to Angela McKenzie, Administrative Assistant, 2811 Barrus Rd, La Grange, NC 28551, email angela.mckenzie@nrwasa.org and phone no. 252-522-2567. All changes in specifications shall be in writing in the form of an addendum and furnished to all bidders.

VERBAL INFORMATION OBTAINED WILL NOT BE CONSIDERED IN AWARDING OF BIDS. No changes to specification will be permitted within five (5) days prior to the bid opening.

SUBMISSION

NRWASA will continue to accept hand or mail deliveries from USPS, FEDEX and UPS. The bids should be delivered by October 8th and the Bid opening will be on October 8th.

The envelope shall be marked on its face with the name of the person, firm or corporation and addressed as follows:

WITHDRAWAL OF BID

Any bid may be withdrawn without prejudice prior to the official bid opening time or any publicized postponement thereof, or in accordance with N.C.G.S. 143-131.1.

REJECTION OF BID

NRWASA reserves the right to reject any and/or all bids in connection with this project, and to waive formalities in a bid.

NOTIFICATION OF AWARD

The successful bidder will be notified within ten (10) working days after the bid award. NRWASA will notify the successful bidder in writing, either by a LETTER TO PROCEED or a PURCHASE ORDER or both after all prerequisites and specifications have been met by the bidder and the award has been made. VERBAL NOTIFICATION OF THE AWARD IS NOT CONSIDERED A LIABLE MODE OF NOTIFICATION AND, THEREFORE WILL NOT BE RECOGNIZED AS AN OFFICIAL NOTIFICATION.

HAZARDOUS MATERIALS

Any materials required by this order that are deemed hazardous will be packaged, marked and shipped by the seller to comply with all present and future federal, state and local regulations and will further comply with any special company or manufacturer's requirements. All SDS sheets are to be directed to the attention of the Water Plant Superintendent.

SAFETY AND HEALTH DEVICE

All equipment shall meet the requirement of the federal government and the State of North Carolina. Equipment shall also conform to applicable standards of all national regulations.

TAXES, PERMITS AND ORDINANCE

NRWASA is a tax-exempt organization for federal taxes. **NRWASA is exempt from the prevailing state and local tax rates for sales taxes.**

EQUAL OPPORTUNITY

Executive order No. 11246, as amended, relative to Equal Employment Opportunity and all other applicable laws, rules and regulations, including Title VII of the Civil Rights Act of 1964, are incorporated herein by this specific reference. In addition, all laws, rules and regulations applicable to the hiring of disabled veterans and veterans of the Vietnam era and of the hiring of individuals with physical or mental handicaps are incorporated herein by this specific reference.

The Contractor further agrees that:

- A. in the hiring of employees for the performance of work under this contract, the contractor shall not discriminate against any citizen in the employment of a person qualified and available to perform

the work under the contract or purchase order, by reason of race, color, religion, sex, age, handicap, national origin or ancestry;

- B. the contractor or any person acting on its behalf, shall not in any manner, discriminate against, intimidate, or retaliate against any employee hired for the performance of work under the contract on account of race, color, religion, sex, age handicap, national origin or ancestry; and
- C. The contractor shall include this language in all subcontracts entered into for the performance of the contract/purchase order.

FAIR LABOR STANDARDS ACT

Contractor warrants and represents that the goods and/or services covered by this contract/purchase order have been manufactured in accordance with the requirements of the Fair Labor Standards Act and all other applicable federal, state and municipal laws, rules and regulations.

MINORITY BUSINESS ENTERPRISE

It is NRWASA's policy to take affirmative action to ensure that minority business enterprises are given the opportunity to demonstrate their ability to provide the NRWASA with goods and services at competitive prices.

E-VERIFY

Bidders must comply with and shall not employ any subcontractor, supplier, or other individual or entity, whether initially or as a replacement, that does not comply with federal E-Verify requirements or against who NRWASA may have reasonable objection.

IRAN DIVESTMENT

By acceptance of any contract resulting from this Request for Bids, the Contractor affirms they are not listed on the Final Divestment List created by the North Carolina State Treasurer pursuant to N.C.G.S. 143-6A-4, Iran Divestment Act Certification.

ALTERNATIVE BIDS

The bidder must furnish with the bid, detailed specifications of the item(s) proposed to be furnished. If the item(s) offered differs from the provisions contained in these specifications, such difference must be explained in detail. Material safety data sheets for each item bid must be included; the prospective bidder for an alternate item shall provide information that is satisfactory to NRWASA of the equivalence in quality of the substitute item.

RISK OF LOSS

All risk of loss to the equipment shall remain with the successful bidder until title to the equipment passes to NRWASA on the acceptance date. After title passes to the NRWASA, NRWASA shall bear all risk of loss to the equipment.

INDEMNIFICATION

The successful bidder shall hold NRWASA, to include all Board members and employees, harmless from all liabilities, obligations, losses, claims, damages, actions, suits, proceedings, costs, expenses, including attorneys' fees, that:

- a) arise out of, are connected with, or result directly or indirectly from the successful bidder's failure to perform any of its obligations under this request for bids; or
- b) are a result, of a breach of any of the successful bidder's warranties. No indemnification responsibilities created by this section shall survive and be enforceable after the contract between NRWASA and the successful bidder terminates or expires, and they shall be terminated only by written agreement between the successful bidder and NRWASA. The Contractor shall defend any and all suits and assume all liability for any and all claims made against NRWASA or any of its officials or agents for the use of any patented process, device or article forming a part of the articles, equipment or services furnished under this contract.
